

Our Program

Bright SchoolKitz® helps non profits and other organizations deliver supplies to children in need. We create custom backpacks or kits at discounted prices.

About Us

As a mom-owned small business with a national footprint, our mission is to do more than make a profit. We value work-life balance and family always comes first.

Benefit

We know how important it is to have the necessary tools to succeed in school. We provide our prepackaged school supply kits at a deeply discounted rate when packs are purchased in bulk.

Your choice makes a difference. We help employ adults with developmental disabilities to pack a portion of our kits. Many of these adults find it hard to find fulfilling, steady work, and you help us make their lives a little bit brighter.
